

Questions & Answers (To be provided on or after October 24)

1. Could you please direct us to further information about the RFQ?

ANSWER:

All of the RFQs are available in PDF format, and are linked above. If you have trouble downloading the PDF file, please contact Linda Younger at (530) 752-9259.

2. Who are the current incumbents on these contracts?

ANSWER:

Archaeological Resources: Pacific Legacy

Biological Resources: Jones & Stokes

Environmental Planning & Documentation: URS Corporation

3. Is UCD currently satisfied with the performance of the incumbents?

ANSWER:

Yes

4. Will more than 1 team be selected for each of these contracts?

ANSWER:

One team will be selected for each contract (Archaeological Resources, Biological Resources, and Environmental Planning & Documentation) although the same lead team member may compete for each contract.

5. If a consultant carries General Business Insurance and Auto Insurance, can Professional Liability Business Insurance be waived for sole proprietorships under the contract?

ANSWER:

Professional Liability Business Insurance may be waived for the services requested under these contracts.

6. How much work is envisioned at Wolfskill Experimental Orchard, Oakville Experimental Vineyard, and the Veterinary Medicine Research Center at Tulare?

ANSWER:

UC Davis anticipates constructing the South Valley Animal Health Laboratory, a multi-million dollar veterinary diagnostic laboratory in Tulare, during the contract term. No work is anticipated at this time at the Wolfskill Experimental Orchard or the Oakville Experimental Vineyard.

7. Could UC Davis suggest any DBE firms to team with?

ANSWER:

No comment
